REPLY BRIEF

Ground I

Is correct that I am incarcerated on the above mention charges and receive the sentence as stated

Ground II

The facts presented by the district Attorney has no factual basis in the record to support this assertion. The Court cannot indicate that nothing of this non-scene took place, and in fact the state has failed to provide the transcripts of this case as order by this Court

Ground III

federal Court should entertain this petition for habeas relief on the grounds that the defendants confinement violate the Constitution, laws of the United States that raise the level of fundamental defect which inherently results in a complete miscarriage of justice" or is inconsistent with fair procedure" six amendment claim of ineffective assistance
